Surrounded by white sandy beaches and warm waters rolling in from the Atlantic and Caribbean Oceans, St. Kitts is a peaceful paradise like no other. With its volcanic landscapes and sunny skies, this eastern Caribbean island is a place where you can experience at once both breathtaking excitement and blissful relaxation.

Located 10 minutes from the island's capital city of Basseterre sits the St. Kitts Marriott Resort, a luxurious 26-acre dreamland that offers the best in fine dining, championship golf, spa services and casino entertainment.

▶ Savory Specials and Classic Cocktails

With so many restaurants to choose from, you're sure to find something to satisfy your appetite. For a spectacular view, visit the sophisticated BLU Seafood Restaurant in its glass pavilion overlooking the ocean. Sample the authentic Italian cuisine at La Cucina or enjoy the family-oriented atmosphere of Café Calypso. For a more intimate setting, the Royal Grille Steakhouse awaits you.

After dinner, unwind with a martini at the Lobby Bar or relax in style at the Keys Cigar & Rum Bar. For a night of dancing, check out Tigers, the island's hottest nightclub.

▶ Golf on the Ocean

Newly renovated, the 18-hole St. Kitts Royal Golf Club overlooks two major bodies of water. Its 125 acres of grass include two holes on the Caribbean Sea and three holes along the Atlantic Ocean.

▶ It's All About You

St. Kitts Marriott Resort is home to one of the world's finest spas. The Emerald Mist Spa and Fitness Center boasts an extensive menu of health, beauty and therapeutic programs that will instantly relax your body and mind. Indulge in a full body wrap, soothing aromatherapy massage or revitalizing facial – just a few of the spa's total body care treatments and complete salon services.

▶ Place Your Bets

Beneath trumpe l'oeil ceilings designed to mirror the spectacular Caribbean night sky, you can try your hand at the Royal Beach Casino. One of the largest in the Caribbean, the Casino offers the excitement of roulette, craps, slots, baccarat, poker and blackjack.

▶ See the Sights of “Sugar City”

A St. Kitts Scenic Railway tour will take you on a 30-mile adventure around the country, highlighting the island’s major attractions from the comfort of a double-decker railcar.

You’ll see the island’s mountainous landscape at Mount Liamuiga, the island’s most prominent dormant volcano. As the journey continues, you will pass abandoned plantations once used to grow sugarcane and the St. Kitts Sugar Manufacturing Corporation. Rounding out the trip is the Brimstone Hill Fortress and Museum, the remains of an 18th century military community.

▶ A Shopper’s Delight

In the capital city of Basseterre, you will find shops selling locally made clothing, such as the wildly popular batik print. At Romney Manor, a large botanical garden that houses the local clothing manufacturer Caribelle Batik, you can tour the grounds and observe the process of batik print making. You will also find a varied assortment of merchandise, including crafts, sculptures, crystal, china, porcelain, gold and silver jewelry and leather goods.

▶ Refreshing Water Sports

St. Kitts is an ideal spot for a wide range of physical activities. If you’re feeling adventurous, swim with tropical fish, take a dive in a reef or enjoy a day of water sports. You can go kayaking, scuba diving, snorkeling, waterskiing or sailing – the possibilities are as endless as the vast blue ocean.
